

## Smart Angels Network™

Smart Angels Network™ is a private and exclusive online Accredited Investor membership community.

Our Accredited Investors receive regional, national and international high quality, interest specific growth, expansion and early stage business opportunities. These opportunities meet each Accredited Member's investment criteria, in the following business sectors:

- ◆ Alternative Energy
- ◆ Consumer Products/Services
- ◆ Internet
- ◆ Manufacturing/Processing
- ◆ Medical
- ◆ Real Estate
- ◆ Resources
- ◆ Technology
- ◆ Telecommunications
- ◆ Transportation

Hundreds of Accredited Investors and Members are waiting to hear your story.

### Resources

We offer our presenters the following:

**Presentation Material:** Owned by the presenting company.

**Workshops:** "Accredited Investor Ready" and "Entrepreneurs in Training" workshops available.

**Mentors:** Successful entrepreneurs/consultants available to help you to be "Accredited Investor Ready".

Presenters are educated, prepared and strategically positioned to experience a successful outcome.

## Smart Angels Presenters

Smart Angels Network™ assists growth, expansion and early stage companies by video streaming their business presentations over the internet to hundreds of interested, pre-qualified Accredited Investor Members. The increased exposure is multiplied many times, without associated travel and time costs.

## Presenter Benefits

### Accredited Investors

Only Accredited Investors are exclusive members of the Smart Angels Network™.

### Private, Secure Online Introductions

Due to the reach of the internet, it is limitless as to where each Presenter can be seen. For example, a Presenter living in Vancouver can now be instantly viewed by Accredited Investor Members in Toronto, New York, San Francisco, London, China etc.

### Media/Advertising Campaign

Strategically targeted regionally, nationally and internationally.

### Smart Angels TV

A private internet video streaming service that connects high quality growth, expansion, and early stage business opportunities seeking growth capital with Accredited Investors world-wide.

### Smart Angels Investment Fund

Available only to Accredited Members by Private Offering Memorandum.

### Tell us your story Application Process

#### To qualify:

1. Complete the application form online at:  
**www.smartangels.com**
2. Participate in a stringent assessment process.
3. The Smart Angels Assessment Committee will then:
  - ◆ Review your application.
  - ◆ Conduct and record an interview.
  - ◆ Process your application.

Upon approval, the Presenter enters into a written agreement to engage in one of the "Accredited Investor Ready" Presentation Programs.
